Agitator motor				
Agitator motor	Torque 4 Nm	5001	eco 450	709,00 €
Agitator motor	Torque 8 Nm	5002	eco 900	815,00 €
Agitator motor	Torque 16Nm	5003	eco 1800	925,00 €
Agitator motor	Torque 32Nm	5004	eco 3600	1 284,00 €
Drive shaft				
Drive shaft	for eco 450/eco 900	Standard	Shaft Ø14 smooth (with internal thread M4)	
Drive shaft	for eco 450/eco 900	1301	Shaft Ø 19mm smooth	35,00 €
Drive shaft	for eco 450/eco 900	1302	Shaft Ø 24mm smooth	35,00 €
Drive shaft	for eco 450/eco 900	1303	Shaft Ø 14mm with groove and tongue	35,00 €
Drive shaft	for eco 450/eco 900	1304	Shaft Ø 19mm with groove and tongue	35,00 €
Drive shaft	for eco 450/eco 900	1305	Shaft Ø 24mm with groove and tongue	35,00 €
Drive shaft	for eco 450/eco 900	1327	Threaded hub M12	95,00 €
Drive shaft	for eco 450/eco 900	1306	Nonstandard shaft up to Ø 30mm With bearing flange up to Ø 28mm	175,00 €
Drive shaft	for eco 1800/eco 3600	Standard	Shaft Ø19 smooth (with internal thread M6)	
Drive shaft	for eco 1800/eco 3600	1307	Shaft Ø 24mm smooth	35,00 €
Drive shaft	for eco 1800/eco 3600	1308	Shaft Ø 32mm smooth	35,00 €
Drive shaft	for eco 1800/eco 3600	1309	Shaft Ø 19mm with groove and tongue	35,00 €
Drive shaft	for eco 1800/eco 3600	1310	Shaft Ø 24mm with groove and tongue	35,00 €
Drive shaft	for eco 1800/eco 3600	1311	Shaft Ø 32mm with groove and tongue	35,00 €
Drive shaft	for eco 1800/eco 3600	1328	Threaded hub M16	95,00 €
Drive shaft	for eco 1800/eco 3600	1312	Nonstandard shaft up to max. Ø 35 With bearing flange up to Ø 30mm	175,00 €
Transmission				
Transmission	for eco 450/eco 900	5039	Reduction 3:1	630,00 €
Transmission	for eco 450/eco 900	5040	Reduction 9:1	980,00 €
Transmission	for eco 450/eco 900	5041	Gear ratio 1:2	630,00 €
Transmission	for eco 1800/eco 3600	5042	Reduction 3:1	670,00 €
Transmission	for eco 1800/eco 3600	5043	Reduction 9:1	1 045,00 €
Transmission	for eco 1800/eco 3600	5044	Gear ratio 1:2	670,00 €

Product group	Remark	Item number	Description	Piece price net
Agitator drive				
Agitator drive	Torque 4 Nm	5005	eco-Drive 450	945,00 €
Agitator drive	Torque 8 Nm	5006	eco-Drive 900	1 075,00 €
Agitator drive	Torque 16Nm	5007	eco-Drive 1800	1 150,00 €
Agitator drive	Torque 32Nm	5008	eco-Drive 3600	1 575,00 €

Agitator Drive Light				
Agitator Drive Light	Torque 4 Nm with connection block without throttle valve without connections	5083	eco-Seal 450 light	1 294,45 €
Agitator Drive Light	Torque 8 Nm with connection block without throttle valve without connections	5085	eco-Seal 900 light	1 362,70 €
Agitator Drive Pro				
Agitator Drive Pro	Torque 4 Nm with complete connection block suitable for pressure up to 10 bar	5069	eco-Seal 450 pro	1 725,84 €
Agitator Drive Pro	Torque 8 Nm with complete connection block suitable for pressure up to 10 bar	5070	eco-Seal 900 pro	1 791,12 €
Agitator Drive Pro	Torque 16Nm with complete connection block suitable for pressure up to 10 bar	5071	eco-Seal 1800 pro	2 017,56 €
Agitator Drive Pro	Torque 32Nm with complete connection block suitable for pressure up to 10 bar	5072	eco-Seal 3600 pro	2 412,30 €

Product group	Remark	Item number	Description	Piece price net
eco-Light				
eco-Light	- only for IBC - Motor needs to be ordered separately - no traverse needed	5075	eco-Light	529,00 €
Schütz Impeller System				
Schütz Impeller System		5872	Schütz Impeller System	1 750,00 €

Product group	Remark	Item number	Description	Piece price net
eco-Up				
eco-Up	Torque 4 Nm	5076	Hand mixer eco-Up 450 - without stirrer	1 725,00 €
eco-Up	Torque 4 Nm	5077	Hand mixer eco-Up 900 G - without stirrer	2 515,00 €
Stirrer element				
Stirrer element	down	5078	Spiral agitator	125,00 €
Stirrer element	up	5079	Spiral agitator	125,00 €

Product group	Remark	Item number	Description	Piece price net
Agitator shaft				
Agitator shaft	with thread/ Length - lid upper edge: 359mm d:16mm	5021	Agitator shaft 30	150,00 €
Agitator shaft	with thread/ Length - lid upper edge: 534mm d:16mm	5022	Agitator shaft 60	220,00 €
Agitator shaft	with thread/ Length - lid upper edge: 739mm d:20mm	5023	Agitator shaft 100	380,00 €
Agitator shaft	with thread/ Length - lid upper edge: 777mm d:20mm	5024	Agitator shaft 200	405,00 €
Agitator shaft	with thread/ Length - lid upper edge: 593mm d:25mm	5025	Agitator shaft 600	475,00 €
Agitator shaft	with thread/ Length - lid upper edge: 793mm d:25mm	5026	Agitator shaft 1000	570,00 €
Agitator shaft	with thread	5027	Agitator shaft Ø16mm Special length xxx	on request
Agitator shaft	with thread	5028	Agitator shaft Ø20mm Special length xxx	on request
Agitator shaft	with thread	5029	Agitator shaft Ø25mm Special length xxx	on request
Agitator shaft	for eco-Quick/ Length - lid upper edge: 359mm d:16mm	5030	Agitator shaft 30 eco-Quick	165,00 €
Agitator shaft	for eco-Quick/ Length - lid upper edge: 534mm d:16mm	5031	Agitator shaft 60 eco-Quick	240,00 €
Agitator shaft	for eco-Quick/ Length - lid upper edge: 739mm d:20mm	5032	Agitator shaft 100 eco-Quick	410,00 €
Agitator shaft	for eco-Quick/ Length - lid upper edge: 777mm d:20mm	5033	Agitator shaft 200 eco-Quick	445,00 €
Agitator shaft	for eco-Quick/ Length - lid upper edge: 593mm d:25mm	5084	Agitator shaft 600 eco-Quick	495,00 €
Agitator shaft	for eco-Quick/ Length - lid upper edge: 793mm d:25mm	5081	Agitator shaft 1000 eco-Quick	590,00 €
Agitator shaft	for eco-Quick	5034	Agitator shaft Ø16mm Special length xxx	on request
Agitator shaft	for eco-Quick	5035	Agitator shaft Ø20mm Special length xxx	on request
Agitator shaft	for eco-Quick	5082	Agitator shaft Ø25mm Special length xxx	on request
Agitator shaft			Other versions	on request
eco - Quick				
eco - Quick	necessary for eco-Quick System	5036	eco-Quick M12	280,00 €
eco - Quick	necessary for eco-Quick System	5037	eco-Quick M16	320,00 €
eco - Quick	necessary for eco-Quick System	5804	eco-Quick M16 IBC (for 600+1000 eco-Quick shaft)	390,00 €

Product group	Remark	Item number	Description	Piece price net
eco-Cup				
eco-Cup	for small containers	5201	Sliding hub 16mm diameter 150	170,00 €
eco-Cup	for standard 30l drums	5202	Sliding hub 16mm diameter 170	200,00 €
eco-Cup	for standard 60l drums	5203	Sliding hub 16mm diameter 210	210,00 €
eco-Cup	for standard 100l drums	5204	Sliding hub 20mm diameter 260	280,00 €
eco-Cup	for standard 200l drums	5205	Sliding hub 20mm diameter 320	300,00 €
eco-Cup	foldable for IBC opening DN160+225	5206	Sliding hub 25mm diameter 500 foldable	460,00 €
eco-Cup			other sizes	on request
eco-Disc				
eco-Disc	for small containers	5207	Sliding hub 16mm diameter 150	215,00 €
eco-Disc	for standard 30l drums	5208	Sliding hub 16mm diameter 170	250,00 €
eco-Disc	for standard 60l drums	5209	Sliding hub 16mm diameter 210	280,00 €
eco-Disc	for standard 100l drums	5210	Sliding hub 20mm diameter 260	360,00 €
eco-Disc	for standard 200l drums	5211	Sliding hub 20mm diameter 320	380,00 €
eco-Disc		5214	Sliding hub 20mm diameter rigid 500	545,00 €
eco-Disc		5213	Sliding hub 25mm diameter rigid 500	545,00 €
eco-Disc	foldable for IBC opening DN160+225	5212	Sliding hub 25mm diameter foldable 500	575,00 €
eco-Disc			other sizes	on request
Dissolver disc				
Dissolver disc		5220	Dissolver disc Ø175 with screwed hub Ø16 / Ø50 x 35mm Fastening 2 setscrew M10 / 16 DIN 914 Stainless steel 1.4571 glass bead blasted	305,00 €
Dissolver disc		5221	Dissolver disc Ø225 with screwed hub Ø16 / Ø50 x 35mm Fastening 2 setscrew M10 / 16 DIN 914 Stainless steel 1.4571 glass bead blasted	390,00 €
Dissolver disc		5222	Dissolver disc Ø325 with screwed hub Ø20 / Ø50 x 35mm Fastening 2 setscrew M10 / 16 DIN 914 Stainless steel 1.4571 glass bead blasted	490,00 €
Dissolver disc			other sizes	on request
eco-Blade				
eco-Blade		5230	Propeller Ø 100 mm Hub Ø16 Fastening 1 setscrew M6 x 8 DIN 914 Stainless steel 1.4581 glass bead blasted	92,00 €

eco-Station 200				other sizes / special designs	on request
eco-Station IBC					
eco-Station IBC	details on request	5090	eco-Station IBC	eco-Station IBC including panel	4 965,00 €
COMPLETE PACKAGES lift station					
Lift station 30	floor mounting	Package number #13	eco-Station 30 Standard incl. agitator	eco-Station 30 Standard including complete agitator eco-Mix Zone 1 for 30 l hobcock (package # 1)	3 681,43 €
Lift station 30	floor mounting	Package number #14	eco-Station 30 Standard incl. agitator	eco-Station 30 Standard including complete agitator eco-TopMix Zone 0/1 for 30 l hobcock (package # 7)	4 428,43 €
Lift station 200	floor mounting	Package number #15	eco-Station 200 Standard incl. agitator	eco-Station 200 Standard including complete agitator eco-Mix Zone 1 for 200l drum (package # 4)	4 637,70 €
Lift station 200	floor mounting	Package number #16	eco-Station 200 Standard incl. agitator	eco-Station 200 Standard including complete agitator eco-TopMix Zone 0/1 for 200l drum (package # 10)	5 465,70 €
Lift station IBC	details on request	Package number #17	eco-station IBC incl. agitator	eco-Station IBC including complete agitator eco-Drive Zone 1 for IBC containers (package # 6)	7 570,00 €
Options					
Options	for eco-Station 30/200	5815	Panel	Switch Panel with on/off switch and manometer	384,00 €
Options	for eco-Station 30/200	5814	Wheels	Wheels for lifting station per set (4 pieces) ESD rolls incl. push handle for eco-Station	315,00 €
Options	only possible in combination with control panel (Switch Panel)				584,00 €
Options		5816	2 Hand operation	2 hand operated control panel (Security Option)	
Options		5838	Table	Wooden table for 30l lifting station	495,00 €
Options		5837	Table	Stainless steel table for 30l lifting station	665,00 €
Options	only for eco-Station	5820	eco-Start	eco-Start (agitator start on the lid)	575,00 €
Options				Special sizes and variants	on request
Options		5850	Display (RPM)	Display (RPM) for panel	935,00 €

Mounting flange				
Mounting flange	for eco 450 for eco 900	1807	Mounting flange	45,00 €
Mounting flange	for eco 1800 for eco 3600	1808	Mounting flange	65,00 €
Connector block				
Connector block	for 450	5831	Connector block standard (clockwise)	90,00 €
Connector block	for 450/ not anodized	5831-1	Connector block - counter clockwise	110,00 €
Connector block	for 450/ not anodized	5831-2	Connector block - Throttle valve on the side (clockwise)	110,00 €
Connector block	for 450/ not anodized	5831-3	Connector block - without Throttle valve (clockwise)	90,00 €
Connector block	for 450/ not anodized	5831-4	Connector block - Throttle valve on the side (counter clockwise)	110,00 €
Connector block	for 900	5832	Connector block Standard (clockwise)	90,00 €
Connector block	for 900/ not anodized	5832-1	Connector block - counter clockwise	110,00 €
Connector block	for 900/ not anodized	5832-2	Connector block - Throttle valve on the side (clockwise)	110,00 €
Connector block	for 900/ not anodized	5832-3	Connector block - without Throttle valve (clockwise)	90,00 €
Connector block	for 900/ not anodized	5832-4	Connector block - Throttle valve on the side (counter clockwise)	110,00 €
Connector block	for 1800	5833	Connector block Standard (clockwise)	100,00 €
Connector block	for 1800/ not anodized	5833-1	Connector block - counter clockwise	125,00 €
Connector block	for 1800/ not anodized	5833-2	Connector block - Throttle valve on the side (clockwise)	125,00 €
Connector block	for 1800/ not anodized	5833-3	Connector block - without Throttle valve (clockwise)	100,00 €
Connector block	for 1800/ not anodized	5833-4	Connector block - Throttle valve on the side (counter clockwise)	125,00 €
Connector block	for 3600	5834	Connector block Standard (clockwise)	100,00 €
Connector block	for 3600/ not anodized	5834-1	Connector block - counter clockwise	125,00 €
Connector block	for 3600/ not anodized	5834-2	Connector block - Throttle valve on the side (clockwise)	125,00 €
Connector block	for 3600/ not anodized	5834-3	Connector block - without Throttle valve (clockwise)	100,00 €
Connector block	for 3600/ not anodized	5834-4	Connector block - Throttle valve on the side (counter clockwise)	100,00 €
Connector block	for 450 INOX	5831-5	Connector block Standard (clockwise)	145,00 €
Connector block	for 900 INOX	5832-5	Connector block Standard (clockwise)	145,00 €
Connector block	for 1800 INOX	5833-5	Connector block Standard (clockwise)	165,00 €
Connector block	for 3600 INOX	5834-5	Connector block Standard (clockwise)	165,00 €
Options				
Options	for all drives	5812	Maintenance unit	55,00 €
Options	for all drives	5813	engraved label	250,00 €
Throttle valve				
Throttle valve	for drives 450 for drives 900	5809	Throttle valve DSC-6-6-I One-way flow control valve with setting scale R1 / 8", 6mm plug connection, supply air throttle, 200l / min, NW 3mm ²	40,00 €
Throttle valve	for drives 1800 for drives 3600	5810	Throttle valve DSC-6-8-I One-way flow control valve with setting scale R1 / 8", 8mm plug connection, supply air throttle, 200l / min, NW 3mm ²	40,00 €
Throttle valve	for drives 450 for drives 900 for drives 1800 for drives 3600	5811	Throttle valve DSC-6-8 One-way flow control valve with setting scale R1 / 8", 8mm plug connection, exhaust air throttle, 200l / min, NW 3mm ²	40,00 €
Throttle valve	for drives 450 for drives 900 for drives 1800 for drives 3600	5865	Throttle valve (Material: Metal) with larger passage 400l / min Thread connection 1/8"	40,00 €
Throttle valve	for drives 450 for drives 900 for drives 1800 for drives 3600	5866	Throttle valve with a smaller passage DSC-C-6-6-IL One-way flow control valve with setting scale R1 / 8", 6mm plug connection, supply air throttle, 60l / min, NW 0,9mm ²	60,00 €
Traversen				
Traverse	for 30-100 Liter Hobbock	5056	eco-Traverse 500	310,00 €
Traverse	for 200 Liter Fass	5057	eco-Traverse 600	345,00 €
Traverse	for 600-1000 Liter IBC	5058	eco-Traverse IBC	365,00 €
Traverse	for 200 liter bung barrel	5059	eco-Traverse Spund 200 incl. Adapter piece	425,00 €
Traverse	for 60-200 liter bung barrel	5059	eco-Traverse Spund Flex 60-200	725,00 €
Traverse		5508	Special construction Traverse	on request
Lid				
Lid	for 10-20l vessels/container	5053	eco-Cap 10	430,00 €
Lid	Three-quarter lid for 30 liter containers	5054	eco-Cap 30	550,00 €
Lid	Three-quarter lid for 100-200 liter containers	5055	eco-Cap 200	750,00 €
Lid	Agitator shutdown on the lid (only in combination with special lid)	5820	eco-Stop agitator shut off on lid	575,00 €
Lid		5511	Handle on the lid flap	55,00 €
Lid	other sizes, materials or other special request	5502	Special construction	on request
Fixing system				
Fixing system		5060	Fixing system 30l	70,00 €
Fixing system		5061	Fixing system 200l	150,00 €
Fixing system		5062	Fixing system horizontally	70,00 €
Barrells + Equipment				
Barrells + Equipment		5825	Barrell roller 60l	325,00 €
Barrells + Equipment		5826	Barrell roller 100/200l	325,00 €
Barrells + Equipment		5830	Hobbock 30l	52,50 €
Barrells + Equipment		5827	Barrell blue 60l	52,50 €
Barrells + Equipment		5828	Barrell blue 100l	65,00 €
Barrells + Equipment		5829	Barrell blue 200l	70,00 €
Rev counter				
Rev counter	for all drives + INOX	5807	Preparation for sensor + blind plug	85,00 €
Rev counter	for all drives + INOX	5805	Rev counter incl. preparation	220,00 €
RPM display				
RPM display		5840	RPM display Stand Alone	775,00 €
RPM display	Option	5841	Backlight for RPM display	95,00 €
RPM display	Option	5842	Dual Alarm for RPM display	90,00 €
RPM display	Option	5844	Stand for RPM display	45,00 €
RPM display		5843	Power adapter 24V	49,00 €
RPM display		5850	RPM display for panel	935,00 €
Compressor				
Compressor	Power 0,67 m ³ / min 670l/min	5860	Compressor 5,5 kW/ max. 10 bar	5 175,00 €
Compressor	Power 1,51 m ³ / min 1510l/min	5862	Compressor 11 kW/ max. 10 bar	9 295,00 €
Timer				
Timer	for panel / Range 0,3-10 sec.	5881	Timer 54.021	530,00 €
Timer	for panel / Range 3-100 sec.	5882	Timer 54.022	530,00 €
Timer	for panel / Range 0,3-10min	5883	Timer 54.023	575,00 €
Timer	for panel / Range 3-100min.	5884	Timer 54.024	575,00 €
Timer	for panel / Range 0,3-10 h	5885	Timer 54.025	625,00 €
Timer	for panel / Range 3-100 h	5886	Timer 54.026	625,00 €

Documentation				
Documentation	ATEX certificate	5801	ATEX certificate	100,00 €
Documentation	Docu package	9012	Documentation package: Documentation and conformity for complete system as a complete machine. This includes: Declaration of conformity - Machinery Directive 2006/42 / EG - ATEX conformity acc. Manufacturer directive 2014/34 / EU - Technical rules for hazardous substances TRGS27 Further documentation: - Operating manual - Approval drawing - Confirmation oil and silicone free Certificate acc. to customer request	550,00 €
Documentation				on request
Express				
Express	Expresshandeling		Expresshandeling (order placed after 12am, guaranteed production of order the day after tomorrow, plus freight costs)	25,00 €
Express	Express delivery		Express delivery	on request
Service				
Service	Cost estimation	9016	Cost estimation for repair	20,00 €
Service	Material certificate Pro	9018	Material certificate created by PTM including pre-supplier certificates (needs to be requested with order)	250,00 €
Service	Material certificate Standard	9019	Material certificate created by PTM	30,00 €
Service	Test flat rate	9024	Test flat rate for a longer period of time	on request
Service	Weekly Test flat rate	9025	Weekly Test flat rate / Invoice per week, max. testing periode: 3 weeks Daily test flat rate	150,00 €
Service	Daily test flat rate	9014	Visit and advice on site by sales representative including trials with standard products	250,00 €
Service	Maintenance	9013	On-site maintenance (plus travel, processing time and materials) per hour:	84,00 €
Service	Simulation	9021	Simulation	on request
Service	Label	9022	One-off costs for individual label design	450,00 €
Service	CAD Drawing	9023	Individual CAD drawing of the configured motor	75,00 €
Delivery terms				
Delivery terms	Surcharge small qty.	9020	Surcharge small qty.- order below 100 Euro	25,00 €
Delivery terms	Freight	9011-9003	acc. to chosen delivery service	on request
Delivery terms	Packaging per order	9004	Packaging fee below 5 kg	8,50 €
Delivery terms	Packaging per order	9026	Packaging fee above 5kg	15,00 €
